## **ANNOUNCEMENT**

### **INTERNAL FINANCIAL DATA FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2020**

This announcement is made by Beijing Jingneng Clean Energy Co., Limited (the “**Company**”) pursuant to Inside Information Provisions (as defined under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance and Rule 13.09(2) of the Listing Rules.

As the Company has publicly issued debt financing instruments in the PRC inter-bank market, the Company, in accordance with the PRC inter-bank market information disclosure rules, announced the internal financial data of the Company and subsidiaries as well as the stand-alone internal financial data of the Company (excluding its subsidiaries) for the nine months ended 30 September 2020 (the “**September 2020 Management Accounts**”) prepared in accordance with the PRC Generally Accepted Accounting Principles (the “**PRC GAPP**”).

**Investors are cautioned that the September 2020 Management Accounts have not been audited or reviewed by independent auditors nor reviewed by the audit committee of the Company.**

For reference purpose only, the relevant documents were posted on China Money at [www.chinamoney.com.cn](http://www.chinamoney.com.cn) and Shanghai Clearing House at [www.shclearing.com](http://www.shclearing.com) on 30 October 2020.

The September 2020 Management Accounts are originally prepared in Chinese and have been translated for publication in both English and Chinese versions. Where any inconsistency or conflict exists between the two versions, the Chinese version shall prevail.

## TAKEOVERS CODE IMPLICATIONS

Reference is made to the announcements issued by the Company on 6 July 2020, 6 August 2020, 4 September 2020 and 4 October 2020 (collectively, the “**Announcements**”) in relation to, among other things, the Possible Offer. Unless otherwise defined, capitalised terms used herein shall have the same meanings as those defined in the Announcements.

This announcement is made after the commencement of the offer period (as defined under the Takeovers Code) in respect of the Possible Offer and the unaudited profit figures as set out in the consolidated income statement of the September 2020 Management Accounts (the “**Unaudited Profit Figures**”) constitute profit forecasts under Rule 10 of the Takeovers Code, which should be reported on by both the relevant financial advisers and auditors or accountants of the Company (the “**Rule 10 Reports**”) and the Rule 10 Reports must be included in this announcement in accordance with Rule 10 of the Takeovers Code.

As disclosed above, the September 2020 Management Accounts are prepared based on PRC GAAP and have not been audited nor reviewed by the auditors of the Company. According to Note 1(c) to Rule 10.1 and Rule 10.2 of the Takeovers Code, reporting on a profit forecast involves the relevant financial advisers satisfying themselves that the forecast has been made with due care and consideration and the relevant auditors or accountants satisfying themselves that the forecast, so far as the accounting policies and calculations are concerned, has been properly compiled on the basis of the assumptions made. Therefore, Note 1 to Rule 10.1 and Rule 10.2 of the Takeovers Code requires, among other things, that the Rule 10 Reports should be prepared in line with the accounting standards adopted by the Company and its subsidiaries. As the Company prepares its financial statements in accordance with the International Financial Reporting Standards (“**IFRS**”) whilst the September 2020 Management Accounts are prepared based on PRC GAAP, the Company will need to conduct certain reconciliation on the Unaudited Profit Figures in line with IFRS in order to comply with Rule 10 of the Takeovers Code.

**Due to the time constraint in issuing this announcement in compliance with Rule 13.10B of the Listing Rules and the time required for such reconciliation, the parties have encountered practical difficulties in meeting the reporting requirements under Rule 10 of the Takeovers Code for the purpose of this announcement. The Unaudited Profit Figures do not meet the standard required under Rule 10 of the Takeovers Code. Shareholders and potential investors of the Company are advised to exercise caution in placing reliance on the Unaudited Profit Figures in assessing the merits and demerits of the Possible Offer and the Delisting. In the event that the Possible Offer proceeds, the Rule 10 Reports will be included in the next document to be despatched to the shareholders of the Company.**
